Templeton Endeavour Academy: Launches hopes of winning

Tonya Strickland

The Templeton middle and high school Endeavour Academy classes and rocket club launched student-made rockets into North County skies Friday afternoon.

The launch, at Vineyard Elementary School in Templeton, showcased designs which will compete in the Team America Rocketry Challenge, said teacher Jill Southern.

"In a time where education is suffering due to budget issues," Southern wrote in an e-mail, "we'd like to showcase some of the great things that are happening in our county's classrooms."

National Competition

The academy is taking donations to send its rocket teams to the national finals.

Checks can be made out to TMS Endeavour and sent to Jill Southern, Templeton Middle School teacher, 925 Old County Road, Templeton, CA 93465.
