

SCIENCE FAIR

SUGGESTED BACKBOARD FORMAT FOR PROJECTS

exhibits should be durable and built to stand up without a wall for support

This format is only a suggestion. You are encouraged to use your own creative ability to organize and display your project. Your display is limited to 274 cm high (9'), 122 cm wide (48"), and 76 cm deep (30").

Who can help? ("Help" doesn't mean "do it")

With ideas and Information: Cal Poly, AHC and UCSB Libraries and professors, Lompoc Library, Santa Barbara Public Library, science books, parents, pet shops, pharmacist, camera shop, teachers, Radio Shack, Bodger Seed Co., Denholm Seeds, flower shops, feed store, etc.

With Project Display: Parents, older sibling, uncle, neighbors, teachers, etc.
